Re: Petitions for Protection From Whipsawing on the US-Philippines Route  
(IB Docket No. 03-38)

Dear Ms. Dortch:

On Tuesday, February 25, 2003, I met with Paul Margie in Commissioner Copps' office to discuss AT&T's positions in the above-referenced proceeding as set forth in its Emergency Petition for Settlements Stop Payment Order and Request for Immediate Interim Relief filed on February 10, 2003. Specifically, we reviewed the unilateral actions taken by Philippine carriers to disrupt AT&T's service, and the negative impact this "whipsaw" is having on AT&T's ability to serve its customers. I reviewed AT&T's pending petition, and the importance of rapid Commission response to combat these anti-competitive actions.

One electronic copy of this Notice is being submitted to the Secretary of the FCC in accordance with Section 1.1206 of the Commission's rules.

Sincerely,

A handwritten signature in black ink, appearing to read "D. W. Schoenberger", with a long horizontal flourish at the end.

cc: P. Margie
